Mrs. Virginia Raymer 615 West Warren Street Shelby North Carolina 28150

Dear Mrs. Raymer:

This is to inform you that the Senior Class in conjunction with the Milestones staff are both proud and honored to dedicate this year's annual to you. The Senior Class, in dedicating the annual to you, has tried to return a part of the energy, time, effort, and concern you have given to Kings Mountain Senior High School and its students over the years. Thank you.

Sincerely yours, Lana Clemmer

Co-Editors, Milestones Staff

Mrs. Virginia Raymer is one of the most enthusiastic and energetic teachers ever to work at Kings Mountain Senior High School. If there is an activity of any kind, chances are good that Mrs. Raymer has had a hand in it. And on top of all this she finds time to teach — and teach well. Her list of projects, programs, and undertakings warrant a book by itself, but to name a few: Mrs. Raymer has been the driving force behind the Junior magazine sale which has met and beaten its goal each year. The proceeds from this project are used for the Junior-Senior Prom and no Jr.-Sr. would be complete without Mrs. Raymer decorating, painting, pushing, and sometimes getting a little angry in order

to make the Jr.-Sr. something worth remembering. She has made the French club a working, productive organization which provides scholarships to students. In the classroom she gives KMSHS students a background in foreign languages that is so necessary for college minded pupils. She has a keen concern for the individual needs of each student and never once hesitates to stay and help if someone has a problem. She comes to school early and stays late. She sells tickets and she entertains in skits. She is active in professional and administrative committees. She is outspoken and she follows rules to the letter. She is Mrs. Raymer and no one else. She is wonderful.

Can death be sleep, when life is but a dream And scenes of bliss pass as a phantom by? The transient pleasures as a vision seem, And yet we think the greatest pain's to die. Faith is a brightness and a shining way
Faith is a glory that the brave have worn,
Faith is a singing through the long gray day,
Faith is a healing for old hurts long borne;
Faith is the ocean's moonlit sheen;
Faith is the dreams that all hearts know.
The evidence of things that are not seen.

I have not seen it — yet it walks with me:
I have not touched it — yet it holds my hand;
I shall not lose it through eternity
Whether my journey be by sea or land —
With its high torch to light the allen skies,
I shall face life and death with fearless eyes.

Enthusiasm is an essential part of football. Without this no team would be complete. Through much practice and hard work this trait was shown time and time again by the "76" MOUNTIES.

There are a lot of good things under our roof.

More choices than you could ever imagine. Two kinds of pizza. Thin 'n Crispy* pizza (the one that made us famous) and Thick 'n Chewy* pizza, for folks who prefer a thicker crust.

You can also order our own unique Cavatini® oven-baked pasta, our delicious spaghetti, our special sandwiches, and a salad with your choice of dressing.

So don't let our name fool you. We've got pizza, sure, but we've got a lot more, too—in food, table service, and comfortable atmos-

phere. At the Pizza Hut restaurant, there are a lot of good things under our roof.
